

# Please help us to keep our Essential Workers and members of our Community Safe!

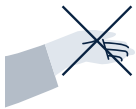

## While in the store...

**One buggy per shopper, one shopper per visit.** Please keep your family at home or in the car if possible.

Shop when the store is less busy and with a list to **limit time in store** and reduce chance of exposure.

**Only touch what you plan to purchase.**

**Maintain the 6-ft rule.** A smile or wave is safer for you and your neighbor.

**Avoid touching your face** and cover your coughs and sneezes.

## When you get home...

Remove shoes and leave outside.

Wash your hands before and after unpacking your items.

Disinfect your products and wash your produce.

Leave your plastic bags out of reach for 72 hours.

## Stay home if...

- You are **feeling sick**.
- You have a **sick family member** at home.

We are taking extra measures to keep our customers and employees safe, however it is important that everyone do their part to help limit the spread of COVID-19. Thank you!
